Youth Baseball Tryout Scorecard

7U/8U sample rubric • Print one per player • Use the same rubric on both dates

Roster #	Division	Session / date	Evaluator initials

Base Running / 10 points

Time two home-to-first runs with the same start cue, finish line and distance. Compare each player's faster time across the full division after both sessions.

Run 1 _____ s Run 2 _____ s Best _____ s Division speed points ____ / 10

Infield / 20 points

Give five grounders at shortstop with throws to first, then five at third with throws to second. Use two straight, one left, one right and one slow roller per round. Finish with five pop-ups.

Ground-ball form ___ / 5 Throwing form + accuracy ___ / 5 Arm ___ / 5 Catches ___ / 5

Catching / 25 points

Receive five throws from the mound and five from shortstop at first base. Each catch earns 1.5 points. Grade glove position, step toward the throw and confidence from 1–5.

Mound ___ / 5 Shortstop ___ / 5 Form ___ / 5 Catching points ____ / 25

Outfield / 15 points

Give five fly balls: straight, left, right, back and in. Grade fielding form and arm strength separately. Award one point per clean fly-ball catch.

Fielding form ___ / 5 Fly-ball catches ___ / 5 Arm strength ___ / 5

Hitting / 30 points

Give ten swings. Count every contact, including fouls. Grade the strongest hit (0 if no contact) and swing form (1–5) separately. Double each of those two grades for points.

Contact ___ / 10 Power grade ___ / 5 Swing grade ___ / 5 Hitting points ____ / 30

Total and notes

Catching points = 1.5 × total catches + 2 × form grade. Speed points: fastest tenth earns 10; subtract one for each full 10% of the field ahead. Equal times share the higher rank.

Keep missed and excused stations separate from a scored zero. For form grades, 1 means the cues are rarely shown, 3 means about half the time, and 5 means consistently.
